### 2007 Toronto Day - Florida

Have you heard what's going on in Florida? Every year a special event takes place for ex-Toronto folks who now live in Florida. We also welcome others who may be visiting, and we especially like to see any current Toronto residents who can attend. We meet; we greet; and we even break a little bread. This luncheon has been held for the last 37 years to facilitate the gathering of Gem City Folks and their spouses/friends at a centralized location. TORONTO DAY IN FLORIDA, TDIF, is going to be held on Saturday, Feb. 10, '07. The location for this event is the Dade Battlefield State Park, Bushnell Florida (located along I-75, in southern Florida, not far from The Villages).

Chairperson Joan Paisley Hendricks '50 eagerly extends an invitation to any and all who would like to attend and help see that this tradition continues. A special feature is guest speaker, Don Sutherin '54, distinguished graduate of THS, Canadian Football league player and a member of the Canadian Football League Hall of Fame. Don also coached the Hamilton Tiger Cats. Why not make plans to visit that day? For more information or to add your name to the mailing list: please call Joan at 386-248-2098 or email mhjph@aol.com or contact Bobby & Maryann Karaffa '50 at 772-221-9691 or via email karaffaR@aol.com.

### Stars and Stripes

Major Mark A. Lawson '85 was awarded the Bronze Star medal 2-15-06 for meritorious service as a combat advisor and operational officer while assigned to the 207th Regional Corps Assistance Group in Afghanistan. Mark is the son of Beverly Prosser Lawson '52 & the late Jim Lawson.

Mitchell Stratton '84, serving in the USAF has recently been promoted to the rank of LT.COL. and has been assigned to the Pentagon in Washington, DC. He and his wife, Judy, are residing in that area. Mitchell is the son of Dohrman '46 and Mary Stratton.

### Historical Fact - What does *Torhisean* stand for?

We all know that a lot of hard work by the students and their advisor goes into each *TORHISEAN*, from the photos, art work and layout, to design and advertisements. But we didn't realize until recently the clever way it received the name we know it as. In the 1956 Yearbook, we learned that *TORHISEAN* means:

**TOR—TORONTO**

**HI—HIGH**

**SE—SENIOR**

**AN—ANNUAL**

### Linda Blair Receives Karaffa Award

Joe Karaffa & his wife, Anna Marie, strong advocates of education, established this award to recognize the efforts of an outstanding teacher, who creates an environment where teaching and learning is valued.

Suzanne accepted the role of President from Ross Gallabrese, immediate past president. Kresser said she will continue to focus on the Rotary programs already in place with an emphasis on increasing membership. Her theme for the 2006/07 is "Each one, Reach One". Christine is well known by her volunteerism in Toronto and in Jefferson County. She has been Chair of the United Way of Jefferson County, actively involved as an officer and dedicated to all things Rotarian, and has spent years coordinating the Foundation Committee for the Toronto High School Alumni Association. She is a member of First Presbyterian Church. In her spare time, Christine enjoys barber-shop singing and being with her husband, Bob Hargrave. Their happiest time is sharing one of life's moments in their beautiful garden as they make plans for their next vacation, to the wine country of California or to the Big Apple, New York.

**Carolyn Walker, '64, Treasurer** for the THSAA is a woman of many talents. She recently retired from *Sky Bank* after 28 years of service. Prior to becoming Chief, Clark was a volunteer member of the Toronto Volunteer Fire Department as well as a volunteer with the Toronto Emergency Medical Service, holding the position of President for five years. A highlight of his Toronto EMS career was earning the award for *Organization of the Year in 2000*. After a volunteer service became too difficult to staff, Crago stated

that Jan. 1, 2003, *TEMS Joint Ambulance District* opened its doors, having successfully passed a tax levy with the support of citizens of Empire, Knox Township, Stratton, and Toronto. In his role as Chief, Crago oversees operations and personnel. He has been successful in writing and receiving grant fund awards for equipment for the emergency service in excess of \$200,000. Diane has always been interested in retail, since she worked at Creegan's and even when she did accounting. Orsini & her staff, her sister Jackie '71 and other family members, are very knowledgeable, having attended seminars and workshops in Cleveland with Hixon, (famous for his floral arrangements for The White House). Diane follows Hixon's advice, "Don't let anybody say you are a natural. You have to develop (skills) and work at it." Diane's treasures can be found in every nook, including woven throws, fresh flowers and charming arrangements. She says their web site, [www.carlainesflorist.com](http://www.carlainesflorist.com) has been helpful to their business, but she is proudest of their ability to give each order, be it large or small, a personal and professional touch. For relaxation, Diane likes to test food recipes & enjoys watching HGTV food & decorating shows.

### President's Message

We have had a very successful year at THSAA, thanks to the many volunteers at the office and the interests of all the alumni, keeping us up to date on your lives. Your Board of Directors has done an excellent job of keeping the Alumni focused on the reasons for our being, which are scholarships & keeping all Alumni in touch with each other. Thanks to Jane (Swickard) Melville '72 for the special attention she gives the newsletter at the printers.

By the time you are reading this newsletter, we will have had our second All Alumni Picnic. The picnic was a big success due to hard work and planning of Diane Orsini '67 and Jackie Myslinsky '71 and their committee, Don '60 and Cheryl Clarke, Tom and Paige Wilson '77, all other committee members & volunteers.

REMEMBER the all school reunion will be in 2009 and plans are underway for this big event!

Prompt payment of your annual dues will keep the newsletter coming to you. We had a good membership response last year, but we can do even better this year with the help of each of you. We wish you a happy summer as we get geared up for a busy fall and winter.

*Anna Lea (Litten) Wirth '49*

### DUES are Due

Thank you alumni!

We have just completed our 16th year as your alumni association. In that time, we have established a foundation which has grown in assets of over \$400,000, and has enabled us to distribute 215 scholarship awards totaling \$119,200. We have held four All-School reunions; established databases, newsletters, and assisted many of you in planning for class reunions with lists and labels.

In this newsletter, we have enclosed the annual "Dues and Donation" notice and an addressed return envelope. Money received from dues paying alumni defray the cost of running the office, printing and distributing the newsletter, and designing and maintaining our website. If you have already paid your 2007 dues, please keep the card available for future donations of gifts or memorials. We send our newsletters throughout the year to the dues paying alumni.

*Carolyn Walker '64, Treasurer*

October 15, 1976 Bellaire 7 at Toronto 29

“Our Red Knights shocked state-ranked Bellaire in the season’s biggest upset beginning with a 1<sup>st</sup> qtr. Touchdown by Larry Starr.

Bellaire tied the score, but just before the half ended Bob Herald made another touchdown and kicked a Field goal. Terry Romey increased Toronto’s Lead with an eighteen yard scoring run in the 3<sup>rd</sup> qtr. And Bob Herald scored once again in the last period to make the final 29 to 7.”
