

# **BUS 3 KES/TES AFTERNOON ROUTE CHANGES**

**STARTING**

**Monday, October 30**

**Effective Monday, October 30, the order of the bus 3 afternoon route for Karaffa Elementary School and Toronto Elementary School will change. The reconfigured route is designed to improve safety by prioritizing the prompt drop off of students at bus stops with the highest ridership. In addition, the bus will no longer be crossing Franklin Ave. to access Nebo Drive. Instead, it will travel down Wallace Hill and turn right into the subdivision. Thank you for your understanding and patience as we enact these improvements. For your convenience, please find the new bus route on the reverse side of this flyer, which will provide you with the revised drop-off time for your child. If you have any questions, please contact your school administrator or the bus supervisor.**
